AIRPORTS

There are three airports around Milano. If possible use Linate, the closest to Politecnico.

- From **Linate** Airport use bus (73+91) or taxi. About 20 min.
- From **Orio al Serio** (Bergamo) Airport: ATB bus to Milano Centrale Station. Then underground to Piola, Line 2 (green). About 1 hour.
- From **Malpensa** Airport: Malpensa Express Train to Milano Cadorna Station. Then underground to Piola, Line 2 (green). About 1 hour.

Detailed Info:

Malpensa Airport --> PoliFAB

Malpensa Airport - Terminal 1 - is linked to the center of Milan through a direct train (Malpensa Express Railway) that leads to Milano Cadorna Railway Station. To reach PoliFab from Cadorna Station, take the line 2 (green) of the underground in the Gobba/Gessate/Cologno direction and drop off at Piola station, then follow the indication on the map. Estimated required time is about 1h. The overall cost of is about 12 Euro.

A regular bus service connects every 20 minutes Malpensa Airport to the Centrale Railways Station. To reach PoliFAB from Centrale Station, take the line 2 (green) of the underground in the Gobba/Gessate/Cologno direction and drop off at Piola station, then follow the indication on the map. Estimated required time is about 1h10. The overall cost is about 8 Euro.

The Bus serves both Terminal 1 and Terminal 2.

Taking a taxi directly from the Malpensa Airport costs about 100 Euro. Estimated required time is about 1h.
